To

Secretary to the Government of His Highness the
Maharaja of Mysore, Law Department, Bangalore

Sir,

In forwarding herewith the application dated 26th February 1944 from Mr P Venkataramaniah, Clerk (on leave) of this office praying that he may be permitted to retire from service with effect from 23rd March 1944 on invalid pension under the circumstances explained in his application, I have the honour to state that the Official has been continuously on furlough leave from 12th September 1942 due to eye trouble on the strength of the Medical Certificate granted by the Officer-in-Charge, Krishnarajendra Hospital (Eye Department) his leave was extended by one year from 12th December 1943 out of which three months 11 days will be furlough on half pay and the rest leave without allowances The furlough leave on half-pay expires on 22nd March 1944 and the leave without allowances expires on 12th December 1944 His date of birth being 3rd April 1890, he is due to retire on 3rd April 1945 i e , about four months after the expiry of the leave now sanctioned to him The official states in his application that there is no prospect of his returning to duty even after the expiry of his leave as the cataract in his eye has to be removed and he will have to be still under medical treatment and therefore prays to be retired with effect from 23rd March 1944 i e , the date on which the furlough portion of the leave with allowances expires Since his incapacity for service is due to physical disability for reasons beyond his control and in view of the fact that he will have hardly four months to serve after the expiry of the leave now sanctioned to him, I request that orders of Government may kindly be obtained to retire him with effect from 23rd March 1944 either on invalid pension under Article 229 Mysore Service Regulation or under the provisions of the Note under Article 311 since he will have completed over 28 years of qualifying

service by that date A copy of the Certificate granted by the Medical Officer is also enclosed

Favour of early orders are solicited
